1. **As admin**, I want to manage drafts and user accounts, so system work safe and clean
2. **As job seeker**, I want the system to give me new words for my work results, so my CV look more professional.
3. **As job seeker**, I want to save many CV drafts for different jobs, so I can use later.
4. **As job seeker**, I want to compare two CV drafts side by side, so I choose better one.
5. **As job seeker**, I want to delete old drafts I don't need, so my list stays clean.
